1650 Burrard St. Vancouver

Admission \$2 at the door

**Free Admission for all occupants
if you have 3 or more people
in your car, or if you bike**

Free Parking

Free Refreshments

Free Lunch

The purpose of Rehab Equipment Expo is to give clinicians and consumers in the community and health facilities access to information needed to make educated decisions regarding the purchase of assistive technology. The event draws over four hundred clinicians and three hundred staff members from the seventy exhibitors.

Throughout the day not only will you be able to visit the exhibit booths; you will also have access to sixteen people who are experts in their field to answer questions related to providing the best service to people with a disability. The lunch time panel has representatives from all the major funding sources to answer your questions.

It is also an excellent opportunity to discover support groups who provide services to disabled individuals. Many people use the event as an opportunity to network and get back in touch with professional colleagues.

If that isn't enough to convince you that REE2010 is a must; you are also treated to complimentary food throughout the day and a hot buffet lunch between 11.30 and 1.00.

Please feel free to distribute this information amongst your colleagues in Nursing, OT, PT, Purchasing, and Speech Language Pathology.
